Time to Assemble

Let's Get Started!

Seat Cushion

1

Unwrap legs and seat cushion. Place legs on the bottom of seat cushion so that they are flush with the back as shown above.

2

Align the holes on the **legs** with the pre-drilled holes on the seat cushion and drill all screws.

3

Align the holes on the back mounting bracket with the holes on the seat cushion legs. Fasten screws to the legs with the provided screws.

Time to Assemble

Almost done...

4

Fasten the back cushion to the back bracket with the provided back screws.

FOR CORNER CONNECTING TABLE

5

For optional corner connecting table, replace original leg screws for longer connecting screws provided. Fasten bracket to the bottom of the bench. *Connecting table must be attached to two benches.*

6

Fasten corner connecting table to bracket by drilling screws in underneath the table to the pre drilled holes.

Repeat these steps to connect additional benches to corner table.

Completion

Yay!

Your bench is now **complete** and ready to use! Above is an image of the ESTO Bench with connecting table fully assembled.
