

PERCH PADS

Spec Sheet

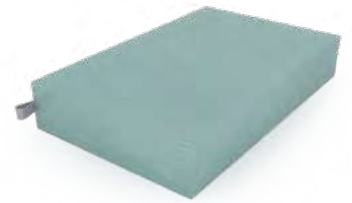

PERCH

ALL FOAM SERIES

HOW TO SPECIFY:

PERCH PADS

MODEL# **PRPD**

The Perch Series offers versatile and functional seating options ideal for educational environments. Designed with all-foam construction, these fully zippered pieces provide a comfortable and adaptable solution for students. Their lightweight design facilitates easy transportation, enabling students to rearrange their seating arrangements as needed for group activities or collaboration. Additionally, the customizable zipper and thread color combinations allow for creative expression and personalization, enhancing the overall aesthetic of the learning space. Whether in classrooms, libraries, or common areas, the Perch Series promotes engaging interactions among students while ensuring comfort and support.

FEATURES:

- Durable All-Foam Construction
- Lightweight and Easy To Carry
- Double-Stitching Thread Lines for Added Strength
- Zippered Covers for Easy Change Out
- Extra Attention and Detail to Tailoring for a Perfect Fit
- Made in the USA
- Limited Lifetime Warranty
