

## Our product warranty

### 10-Year Warranty

I want to tell you why we have the best warranty in the commercial dining market. First of all, our products are built to last. We wouldn't make this claim if the products, and their construction, couldn't live up to it. Most importantly, this warranty speaks to our commitment to YOU, our customer.

When you outfit a dining or multipurpose space you need to believe in the company you're buying from, and you need to feel like they've got your back. That's what FurnitureLab does day in and day out. If there's a problem, we fix it. In fact, if it's our fault, we'll even cover the installation cost associated with the repair or replacement.

Over the last 20 years, we've worked hard to build a company and a brand that tries to be the best in our category. Year after year, we constantly look for ways to do better and to be better. If there's ever anything we do worthy of praise or criticism, please let me know, because I want to make it right.

If you've bought from us before, thank you for your business. If you're thinking of buying from us, I promise you'll be satisfied. In either case, we look forward to working with you.
